FLOOD BULLETIN NO. 3

PAMPANGA RIVER BASIN & ALLIED RIVERS

ISSUED AT 6:00 AM, 22 JULY 2025

(VALID UNTIL THE NEXT BULLETIN AT 6:00 PM THIS AFTERNOON)

Average Basin Rainfall as of time of issuance

Past 24-hr observed	Forecast 24-hr basin rainfall
---------------------	-------------------------------

86.10 millimeters	50-100 millimeters
--------------------------	---------------------------

BASIN'S LIKELY RESPONSE / RELATED IMPACTS & AREAS LIKELY TO BE AFFECTED

Pampanga River at Arayat Station (Pampanga)	Now at 6.84 m. above the 6.00 m. Alarm WL; slow rise again to continue but less likely to reach the 8.5 m. Critical WL status until this afternoon
--	---

Pluvial floods (slightly submerged roads, croplands) in low-lying areas within - Cabiao, Arayat, San Simon, San Luis

Candaba Swamp Area at Candaba station (Pampanga)	Now at 5.40 m. above the 5.00 m. Critical WL; continue to slow filling-up of swamp waters and likely still above the 5.00 m. Critical WL status until this afternoon
---	--

Pluvial floods (partly submerged roads, croplands) in some areas within the swamp; San Miguel, San Ildefonso, San Rafael, Candaba, San Luis, San Simon, Apalit

Pampanga River at Sulipan Station; Pampanga Delta areas (Pasac-Guagua Sub-Basin)	Now at 2.82 m. above the 2.60 m. Alert WL; fluctuating WL (tides & upstream flows); slow rise to continue. High tide is in effect this morning
---	---

Coastal & riverside floods (**Fluvial**) due to tides & from the relatively upstream river flows towards the lower sections of Main Pampanga River might affect the riverside areas of: Apalit, Macabebe, Masantol, Calumpit, Paombong and Hagonoy; **Pluvial** floods (partly submerged roads, croplands) affect the Pasac-Guagua areas of: Minalin, Guagua, Sasmuan, Lubao, Sto. Tomas and other adjacent coastal towns

The public and the Local Disaster Risk Reduction and Management Councils (LDRRMOs) along the main Pampanga River are **advised to undertake preparedness & response activities** to mitigate the immediate and ongoing impacts of the prevailing **hazards associated with enhanced Southwest Monsoon; monitor heavy rainfall warnings, weather advisories, and other products issued by PAGASA.**
